MEMORANDUM FOR THE RECORD

SUBJECT

ACDA Support

TO:

FILE NUMBER

1. I had a discussion with on ACDA support. His position re FY-70

effort was that the proposed task was not of direct interest to NPIC. He thought
past tasks on our Time & Material contracts were--he told in tel. conversation

that we could continue to provide support for him on FY-71 T&M contract if tasks

were similar to those in the past and related to imagery indicators. I told

we would run past him such task requests if they came about. He asked that
we get a determination of what IEG thought of past ACDA reports on items gone thru us.

2. Please do the latter on a low-key basis. See me if you have any questions.
